Raphael Tuck & Sons' "OILETTE"

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

Southend. When the tide has receded the beach of Southend is of almost embarrassing dimensions. Southend wisely decided not to trust to the sea as its sole attraction, and its marine garden walks are particularly charming. We have heard them praised by a traveller who had seen the most beautiful scenery in the United States.

17/8/07

Dear Miss Devlin

We have had a very good time of it here, the Children have enjoyed themselves.

We are leaving on Wednesday next

Yours truly

C. W. Thomas
